#### Parent Information

- \* Purchasing a senior banner helps to celebrate your son/daughter's dedication to his/her sport.
- \* This custom designed vinyl banner will include: senior being photographed on the team photo date, design that has been agreed upon by the person in charge, minimal blemish retouching, weather resistant vinyl, welding of banner edges + banner grommets for hanging.
- \* Each team will need parent volunteers who are responsible for hanging the banners before each home event, storing the banners between games, and hanging banners at banquet. You will also get to hang your senior's banner at graduation parties!
- \* Please fill out the senior banner form below, attach payment, and have your athlete give the form to the banner photographer.
- \* Regular photo order forms for team photos and individual photos for family will be distributed by your coach before photo day.

#### Athletes - Be Prepared

- \* Player banners are photographed on your team's photo day.
- \* Wear your full uniform including pants/pads/cup/belts/etc - (shoes won't show on senior banners, but shoes do show on regular individual photos) Please be careful to not forget a piece of your uniform- "photoshopping" missing uniform pieces or jersey patches is not free!
- \* Bring equipment to use in the photo (football, ball, helmet, poms, racquet, bat, gloves, megaphone, etc)
- \* Hair should be styled and makeup is encouraged (especially mascara and powder)

#### Coach - Get Information to Parents Early

- \* GIVE EVERY SENIOR this form BEFORE photo day so the parent gets a chance to purchase a banner in the size that the team chooses.
- \* If a senior does not purchase a banner and get a photo taken for that banner, they will not get a banner.
- \* GIVE each student a VSN Photo ORDER FORM a couple days BEFORE photo day with instructions to give to their parents on that day.
- \* TELL parents that they can order regular photos (not banners) ONLINE BEFORE photo day at [www.vsnmichigan.com/PREorder](http://www.vsnmichigan.com/PREorder)
- \* BE ON TIME for photos and encourage your athletes to be ready for photos early so photographers can stay on schedule.
